Umesh Motwani

Senior Consultant - Software Engineering at Slalom
New York City Metropolitan Area

Summary

With over 12 years of experience as a Software Engineer, I have
collaborated with various clients in roles such as Solutions Architect,
Full Stack Developer and AI Engineer, providing my expertise
in designing, developing, and maintaining enterprise-level web
applications. My goal is to partner with Product Managers, Subject
Matter Experts, and end users to develop functionalities that align
with business objectives while adhering to best practices and
industry standards.

Certifications include:
• GCP Certified Solutions Architect Professional
• AWS Certified Architect-Associate
• AWS Certified Developer
• AWS Certified Machine Learning - Specialty
• Azure Fundamentals Certified
• Oracle certified web developer
